

Leadership Growth Plan

HOW DO I BECOME A TEAM LEADER

.....

As coaches, every month you will have a book club meeting where you will read a specific leadership book and discuss as a group. This is a process designed for those who have potential to become the future leaders of CFADS.

Books you will read:

1. "Eat Mor Chikin: Inspire More People" by Truett Cathy
2. "The Heart of Leadership" by Mark Miller
3. "The 21 Indispensable Qualities of a Leader" by John Maxwell

Through these months you will be paired with a current Team Leader for coaching. They will work closely with you to give you experience shadowing a leader and learning from them. They have a checklist they work through to help ensure you're on track.

The Next Steps

.....

Once you have completed 3 months in the course, you will be eligible to be promoted. It is not guaranteed that you will be promoted to a team leader after the 3 months, because positions will be offered based on need in the business.

Reminders

-
1. Completing the 3 months book club does not guarantee a Team Leader position.
 2. This program should not be taken lightly, we are considering you for an extremely important role and you will be expected to fully engage and participate.
 3. You will be paid for the hours in the class but not the hours dedicated at home.
